Academy of Creatives Overview

Mission

Academy of Creatives will provide a full-time or part-time individualized learning program for learners transitioning from traditional school environment and homeschoolers. We are an accredited learning center collective of families (also known as a microschool) where families collectively outsource high-quality individual instruction either full-time or part-time. Academy of Creatives provides resources and experiences for students to enhance their skills and abilities for a joyful and successful childhood. We are not Georgia standards centered but rather, **student-centered**. Through the combined efforts of staff, parents, and the community, our students will achieve success. Our students will reach their highest possible level of academic and social development.

Admission Standards:

Our admissions standards reflect our commitment to serving as a partner with the home and the local community in the education of our students. We ask that the following admissions standards be met by our students and their families:

Admissions priority is given to families who give evidence of their commitment to their child's education. Families demonstrate commitment to Academy of Creatives's academic goals by a record of consistent attendance and support of the teachers' efforts to promote a priority of learning in the life of the student.

Cooperative Spirit: Each family and each student admitted is expected to exhibit a cooperative spirit. Parents and students should read this Handbook for a description of Academy of Creatives's standards and expectations. Students and parents will complete an application and interview.

If a student has been receiving special support services (504 Plan, IEP, other therapies), paperwork describing those services should be provided by the parent with the application.

Students are expected to take their academic responsibilities seriously. Applicants who have exhibited a persistent lack of effort or uncooperative spirit will not be accepted. Academy of Creatives does not admit students who have a history of disciplinary problems.

Curriculum

Our curriculum is guided by individualized learning plans tailored to each student's unique needs and goals. While we may utilize a set curriculum as a foundation, we recognize that some learners may benefit from alternative resources or approaches, which will be thoughtfully selected to support their academic growth. While we are not a religious-based microschool, some curriculum materials may contain references to religion for educational or historical context.

Fees and Due Dates

Handbook/Contract Signature Page Due: Acceptance and acknowledgment of handbook when enrollment is completed.

Monthly Tuition: Monthly tuition payments are made **for the upcoming month on the 1st**. For example, your July 1st payment is for August, **August 1st payment covers September 1st tuition**, your **September 1st payment covers October 1st**, and so on.

This structure helps us plan ahead and ensure that we can consistently provide the quality resources, staff, and programs your child depends on. ***Tuition Payments are collected through Our School Hangout an app AOC will utilize for all communication, documents and tuition . Tuition and Curriculum Deposit will not be reimbursed if student unenrolls from Academy of Creatives.***

Late fee for tuition: Grace period of 1-5 days. 10% fee later than 5 days. Should tuition lateness surpass 15 days after the initial due date a student will automatically be placed on suspension. After 20 days a student will be unenrolled from Academy of Creatives. The account may be referred to a third-party collection agency. The responsible party agrees to be liable for the full amount due, as well as any applicable collection costs or fees. Prior to any referral, the family will be notified in writing and given a final opportunity to settle the tuition balance directly.

One Semester Commitment

All Academy of Creatives enrollment plans are based on the local 36 week calendar and require a one semester (five-month) commitment. After one semester (five months) enrollment may be cancelled with 30 days written notice.

One Month Happiness Guarantee

We want to ensure that we're a good fit for your family! Academy of Creatives offers a one-month happiness guarantee. Families who provide written notice of program termination within thirty (30) days of initial enrollment and/or start date are waived from their one-semester commitment.

Monthly Payment Plans

Monthly payments are calculated by dividing the annual pricing rate by the number of monthly payments. If a student joins Academy of Creatives mid-year, the first monthly payment is prorated based on the start date. Due to Academy of Creatives Open Door Policy, fees are due regardless of student attendance. As such, no credits or refunds are provided for sick days, vacation days, calendar holidays, calendar professional development days, half-days, or other missed days.

Tuition Structure

Our school offers multiple enrollment options to support the needs of our families and learners. Annual tuition rates are based on the selected program:

- **5-Day Full-Time Program:** \$7,500

- **3-Day Hybrid Program:** \$5,500
- **2-Day Enrichment Program:** \$3,500
- **5-Day IEP/504 Program (IEP/504 Support):** \$13,000

The Specialized Program is designed for learners with an active IEP or 504 plan and includes enhanced support services, such as additional one-on-one instruction and accommodations beyond what is typically provided in our standard programs. These additional services are reflected in the tuition rate.

Parent Involvement and Communication

Volunteering

Parents are encouraged to participate in school-related activities, including those pertaining to curriculum and instruction, being a guest speaker, assisting on field trips, and using your gifts/talents to add a wonderful dynamic to our school environment. If any activity occurs that is not in keeping with Academy of Creatives policies or standards, Academy of Creatives reserves the right to relieve the volunteer of his/her responsibilities.

Quality Assurance – Handling Complaints

Our vision is to provide a high-quality, safe, and friendly environment for all children. In order to meet that vision, and to help us grow, we need your involvement and feedback. We take your concerns and feedback very seriously and make every effort to address issues within our school. Experience has demonstrated that open communication between parents and the staff is the key to maintaining a stable business relationship. Please do not hesitate to talk to us and speak with Leadership regarding any concerns. **Student Confidentiality**

All student information is protected by the Family Educational Rights to Privacy Act for the purpose of protecting student confidentiality. Academy of Creatives is dedicated to complying with all confidentiality laws protecting the privacy of their students and their families. Information regarding a student's progress will be shared only with parents and guardians, appropriate members of Academy

of Creatives faculty and staff, and any professional consultants retained for the purpose of measuring and/or improving instructional quality.

Parent Newsletters/Calendar

Parents will receive **monthly** newsletters with announcements of upcoming events, grade level/monthly curriculum focus, and special activities. These newsletters will be sent home at the beginning of each month. In addition, a “Calendar of Events” will be posted in OUR SCHOOL HANGOUT. Families will be informed of coming events, field trips, projects, and the monthly learning focus! We ask parents to keep these items handy and display them somewhere in their home so their child can have positive anticipation about his/her school day! In addition, the newsletters give ideas on how you can help support your child’s learning.

School Supplies/ Daily Supplies

All textbooks and materials will be purchased by Academy of Creatives using the curriculum and school supply payment. This includes all folders, binders, paper, pencils, etc. This helps minimize excessive materials and helps teachers and students focus on what’s most important for learning. Students are responsible for bringing a small tote bag, water bottle and lunchbox to school each day. Chromebooks and headphones are assigned to each child by Academy of Creatives. In addition, students will bring his/her folder each afternoon. The curriculum cost collected during enrollment covers most supplies. If supplies run low during the course of a school year, supplies may be requested and Academy of Creatives will send home a list of such supplies.

All materials necessary for learning will be provided to students by the school (pencils, books, paper, etc.). However, if parents/guardians wish to provide students with additional materials and supplies, they may do so. Teachers will provide a list of suggested items (but not mandatory). We ask that materials that are loaned to students be used with care in such a way as to maximize their useful life. Where materials are lost, damaged, or defaced, students or parents may be required to pay up to 75% of the replacement cost.

Clubs or Memberships:

Examples

Scholastic Reading Club Parents will receive regular announcements to take advantage of a variety of books for their child’s enjoyment.

Student Arrival/Dismissal We want to ensure our Academy of Creatives students arrive and leave safely each day! We ask that parents do not leave the car during arrival or dismissal time.

[Arrival Time]- We ask parents to stay in the car and drop the child off with the teacher standing outside. If it is inclement weather or very cold, please send your child to the front door anytime between 8am-8:30a

[Dismissal Time] - We ask all parents to be waiting in the car rider line by [2:50-3:00] for prompt and secure pickup.

Please do not drop your child off at Academy of Creatives prior to 8:00a as there is no guaranteed supervision at this time. Please arrive by 3:15pm to pick your child up from school in order to avoid

late pick up fee. A child who is picked up late can get anxious, and Academy of Creatives teachers need to be able to leave school promptly and/or take care of their family's after-school activities.

Being on time is a significant contributor to the satisfaction of all of our teachers and the happiness of our children. We understand emergencies arise, so please communicate if there is a potential issue with picking your child up on time. Anyone picking up a child, who is not on the child's **Data Verification Form**, will need to be approved through the written authorization or a direct phone call from the parent/ guardian before the child may leave Academy of Creatives. Any adult, other than the parent, who is picking up a student must be prepared to show identification and give the code indicated on the **Data Verification Form**.

Technology

Academy of Creatives will utilize technology for learning activities. All students are provided with AOC Chromebooks. There are multiple learning platforms that will be used to engage students in learning such as power homeschool, reading eggs to name a few. Parents/students must sign an internet waiver.

Student Dress Code Policy

Students in Academy of Creatives are not required to wear a uniform. Instead, we ask that each student dress in a way that does not distract or deter learning. Students are asked to wear closed-toe shoes each day. For FIELD TRIPS students are required to wear their AOC provided shirts.

Homework/Portfolio

Academy of Creatives does not provide homework. Instead, families can support their learners learning at home by emphasizing and inquiring things learners have learned for the day or week. We are a team. Teachers and parents will work together to ensure their learners education is up to par with their needs.

Breakfast and Lunch

Academy of Creatives does not provide meals for students, but does provide a daily snack and occasional food from “Cooking Class”. Students are advised to refrain from sharing food with other students to minimize the spread of viruses and the risk of allergic reactions. Students will practice etiquette and clean-up skills during mealtimes. *Students are expected to pack healthy food that will foster energy and focus throughout the learning day. Parents should refrain from packing sugary drinks and snacks that could encourage hyperactivity and energy drain. Soda and candy should not be consumed at Academy of Creatives. If your child has certain dietary needs Academy of Creatives asks that parents provide snacks for those specific dietary needs.

Student Progress Reports/ Assessment/ Evaluation/Reporting:

Academy of Creatives will send home **trimester progress reports** to showcase students' progress and mastery of learning skills/topics taught in class. However, grades will not be a part of Academy of Creatives Progress Reports. We believe there is substantial evidence of mastery and growth through the small class size, teacher connection, and child attributions and will be documented/showcased in the child's portfolio and progress report. Teachers will use meaningful feedback to improve a child's learning path. Some students are strong with spoken words while others prefer to write. Some see the world through the eyes of an artist while others may be more technical. Some prefer to learn by themselves while others like to work in groups. Academy of Creatives believes education should not be standardized or cookie-cutter, but rather; authentic, engaging, and personalized.

Teachers/ Academic Guides employ a variety of strategies to assess student learning on a continuous basis. These strategies include observation of students as they work, conversations with

students about what they are learning and doing, analysis of student products and performances, and the administration of quizzes and tests. Teachers collect information for two main purposes:

Assessment for learning – to give feedback that will help students improve their learning; to provide feedback for teachers that will help them plan upcoming instruction to meet the needs of students.

Assessment of learning – to be compiled into a formal evaluation of a student's achievement and work habits. Progress Reports will be given to parents and students in **November, February, and May.**

After each report, a conference may be scheduled as requested by the teacher and/or the parent/guardian.

Students with special needs get the assistance they need to realize their potential through a variety of special services. We believe all students can learn and experience success.

Academy of Creatives administers the MAP testing tool in fall and spring annually. Parents do not have the option to opt out of this testing. This is a requirement of the accrediting body and the Georgia Promise Scholarship school participation.

Field Trips or Special Programs

In recognition of the educational value possible from well-planned travel, it is the intent of Academy of Creatives to encourage the participation of our students in worthwhile educational excursions. Parents must consent for their child to participate in walking field trips, vehicle field trips, field trips to park, and library while riding with appointed adults/teachers to each destination. The cost of field trips are an additional expense paid for by parents. Notice to collect fees for fieldtrips will be announced in parent news letters.

Students must have his/her own library card for library field trips in order to check out books.

Academy of Creatives is not responsible for lost or damaged books. Students may bring home library books checked out under his/her name only. If your child does not have his/her own library card, all library books must stay at Academy of Creatives if checked out under the Academy of Creatives account. With parent permission, some students may need to ride with another authorized adult if the school bus becomes at capacity, In this case, parents will be notified and sign a waiver of release.

Emergency Contacts

Parents must submit emergency contacts on the data verification form to ensure safety for students/children.

Inclement Weather

In any inclement weather situation, Academy of Creatives will follow public school guidelines for dismissal and cancellation of school.

Emergency Leave Day Policy

We will make best efforts to notify within 24 hours. Academy of Creatives has 5 emergency leave days per school year

Health

Please keep your child at home if he/she seems restless, unusually irritable, complains of aches, is feverish, or seems to be unusually pale or flushed. It is better to be overcautious than to risk exposing the rest of the children and staff. The following is our guideline for you to follow in determining when to keep your child at home.

The child should be kept home for:

- Earache (if he/she hasn't been on medication for 24 hours)
- Fever 99 degrees or more
- Strep Throat
- Stomachache
- Anything contagious: chickenpox, hand/foot mouth, COVID, pneumonia, etc.
- Diarrhea/vomiting
- Contagious rashes
- Head lice, including visible nits (Must have professional care through LICE DOCTORS, LLC to avoid spreading)
- Pink Eye

Each child responds and reacts differently to sickness, so please be advised that the staff will need to send a sick child home. If the student is at school and becomes sick, we ask parents to pick their child up as soon as possible. Children should be symptom-free for 24 hours before returning back to Academy of Creatives.

Medication

Academy of Creatives must be informed of any prescription medication that a student is required to take at school. To dispense prescription medication to students, Academy of Creatives must receive a written order from the student's doctor and a permission slip from the student's parent. All

medication must be brought to Academy of Creatives in its original prescription container, labeled with the student's name, the name of the medication, the date of expiration, and the proper dosage. Non-prescription medications: If during the course of a learning session, it is necessary for a student to receive common, non-prescription medication (e.g., Tylenol), the parent/guardian must fill out a Medicine Administration Form. Parents/guardians must inform Academy of Creatives of any allergies to or restrictions on non-prescription medication that their children might have.

Accidents

A teacher or trained staff member will administer initial treatments of minor injuries. The student's emergency contact will be notified immediately by phone whenever medical treatment is administered to a student. In such cases, it is especially crucial that Academy of Creatives has working phone numbers for students' parents and for alternate contacts in the event that a parent is unavailable. Please be vigilant in keeping all information for your child up-to-date.

Safety

All members of the school community have the right to be safe and feel safe in a respectful, focused school environment. Academy of Creatives has a zero tolerance policy. Members of the school community must not: Engage in bullying behaviors, bring anything to school that will compromise the safety of others, commit theft, robbery, or any act of vandalism that damages school property, be in possession of any weapon, use any object to threaten or intimidate another person, cause injury to another person with an object, inflict or encourage others to inflict bodily harm on another person (such as kicking, hitting, punching or pushing), engage in harassment, deliberately engage in hurtful behavior motivated by anger, bias or dislike. All incidents will be reviewed appropriately and can lead to immediate enrollment dismissal here at Academy of Creatives.

Students will have access to playing in the schoolyard and local neighborhood park while being supervised by an adult. Students will only be allowed in open areas of the education facility at Academy of Creatives with no closed doors (except in the restrooms where stall doors must be closed and locked while in use).

Positive Character Development:

At Academy of Creatives character development and values are a part of who we are. Academy of Creatives is committed to embracing and demonstrating character through the modeling of our core values: caring, honesty, respect, responsibility, faith, and empathy. Our goal is to challenge the children and staff to believe in and act on these positive values.

We strive for a setting that provides children with opportunities to explore their environment within consistent, age-appropriate limits. In this type of atmosphere, most behavioral issues are prevented. However, if behavioral issues occur, our philosophy is to provide child guidance accomplished through a positive approach, which respects the child as an individual. It is our goal for children to learn human values, problem-solving skills and to take responsibility for their own choices.

Teachers will model and reinforce appropriate behavior and

- Maintain consistent direct supervision.
- Set reasonable expectations for children's behavior based on developmental levels and individual differences.
- Become familiar with an individual child's special needs.
- Provide interesting, challenging, age-appropriate things to engage with.

Redirection/Distraction

We will offer alternatives to children engaged in undesirable behavior by offering a different toy, suggesting a new activity, engaging the child in an activity with an academic guide or another child, or suggesting independent play. Academic Guides will help the child understand the logical consequence of his/her actions by redirecting and distracting.

Encouraging Verbal Problem Solving Skills

Academic Guides will explain to the child the inappropriate behavior and show him/her the appropriate way to handle the situation. Academy of Creatives will make every reasonable attempt to mainstream a child and meet their educational needs; however, behaviors that threaten others as well as blatant and repeated disrespect/defiance will not be tolerated and may result in expulsion from Academy of Creatives.

Toilet Policy

All students attending Academy of Creatives must be fully potty-trained to participate in any programs. Children using the toilet will follow guidelines for handwashing, and they will use disposable towels to dry their hands. If a child should have an accident and soils his/her clothes, a parent will be notified immediately.

Clothing

All Academy of Creatives learners should bring a change of clothes in the event a child needs to change due to inclement weather, accidents, and messy learning!

Money and Other Valuable Property (Including Toys and Personal Items)

Students are encouraged to leave all money, toys, personal items, and other valuable property at home, especially cell phones. Academy of Creatives assumes no responsibility for lost or stolen items.

Reporting Suspected Child Abuse

In order to ensure the well-being of the children in our care, our staff has a continuing duty under state law to report incidents of possible neglect or abuse, including physical, sexual, and psychological abuse, to the Department of Children and Families and to cooperate in any investigation of such possible neglect or abuse. All staff members are mandatory reporters and must follow **Georgia** statutes for mandatory reporting. We do not have discretion in this matter but must make such referrals whenever we have reasonable cause to believe that a child might have been harmed by anyone, including non-family members. We may be subjected to criminal penalties if we fail to report such possible harm. Staff is not allowed to comment to parents, other staff, or any other persons on the subject of reported child abuse. Parents may not accuse or question staff concerning child abuse allegations. Child abuse investigations are a matter for Department of Children and Family Services.

Statement of Diversity

Academy of Creatives admits students of any race, color, or national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school.
